Funky Electric, height 1423 mm, width 600 mm. Manhattan Grey finish (cod. 03).

Tecnical features:
- steel towel warmer radiator with horizontal elements featuring with a 23mm diameter
- side round manifolds with a 30 mm diameter
- long electricity cable: 1.200 mm, schuko plug
- thermal fluid

Standard Supply:
- 4 adjustable wall fixing brackets in the same color of the radiator
- Wireless remote control

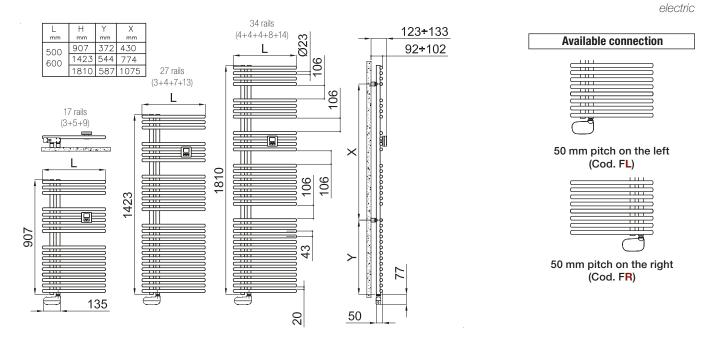

Wireless Remote Control

Funky Electric is equipped with a wireless controller that allows remote management of every electric radiator function. Because the controller is wireless, it has the advantage of being quick and easy to install and does not require any modifications within the home.

Technical specifications

Wireless communication via radio signals transmitted to the receiver connected to the system.
- Approx. 30-50 metre range in residential environments (868 MHz).
- Radiofrequency communication pursuant to European standards.
- Optional ITCS (Intelligent Temperature Control System)
- Open window detection function.
