

Get Up Electric, height 1499 mm, lenght 550 mm. Medium Grey finish (cod. 4D).

Technical features:

- steel towel warmer
- 23 mm diameter horizontal round bar heating elements
- 30 mm diameter round lateral manifolds
- complete with thermal liquid
- electric heater, Class 2 (double insulation), provided with wireless electronic control
- in addition to setting the desired temperature and keeping it under control, the wireless control performs the following functions: Comfort function, reduced nighttime use, anti-freeze, and programmed stopping
- long electricity cable: 1.200 mm (lower right side cable outlet)
- single phase power supply 220 - 230 V, 50 Hz, Class II, IP 44
- maximum capacity of the towel rails: 7 kg

Standard supply:

- 3 adjustable wall fixing brackets in the same color of the radiator
- Wireless Remote control

Wireless Remote Control

Get Up Electric is equipped with a wireless controller that allows remote management of every electric radiator function. Because the controller is wireless, it has the advantage of being quick and easy to install and does not require any modifications within the home.

Technical specifications

Wireless communication via radio signals transmitted to the receiver connected to the system.

- Approx. 30-50 metre range in residential environments (868 MHz).
- Radiofrequency communication pursuant to European standards.
- Optional ITCS (Intelligent Temperature Control System)
- Open window detection function.
